Descriptions:

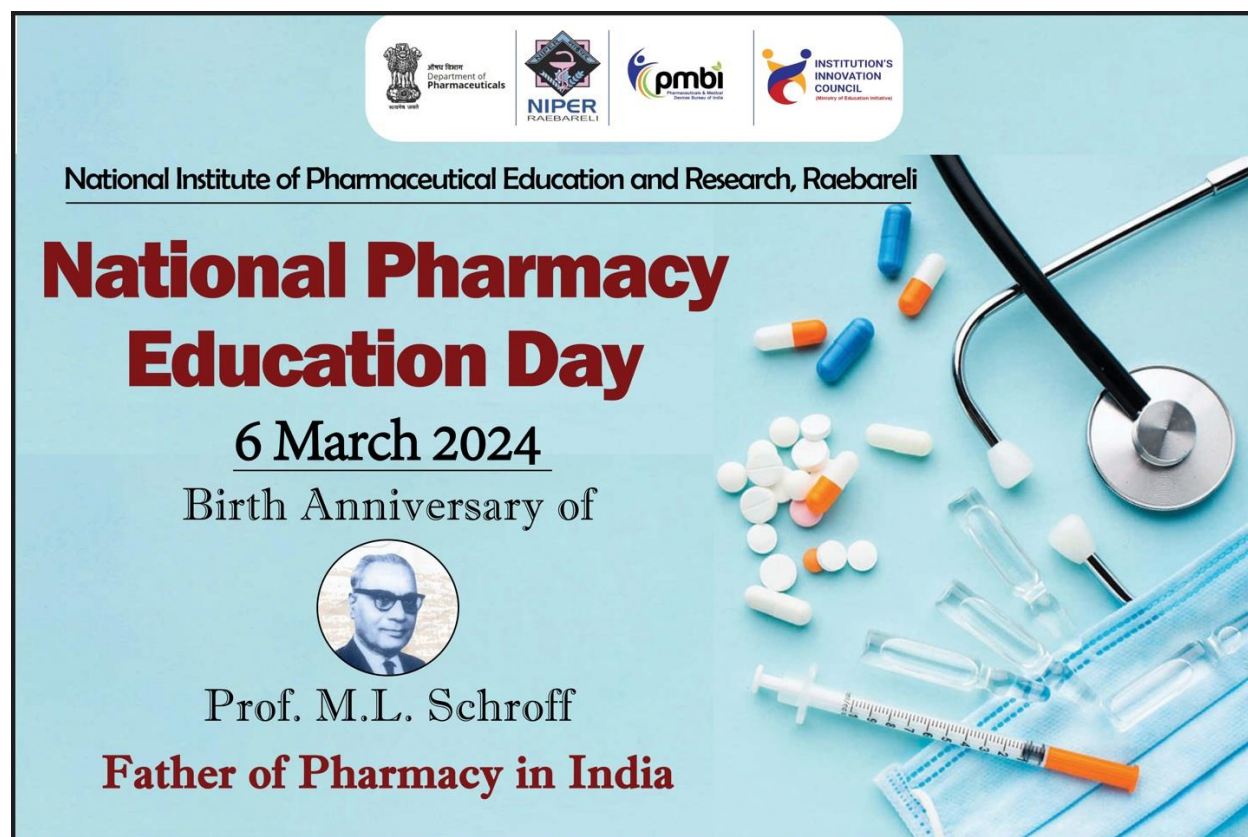

NIPER - Raebareli celebrated "National Pharmacy Education Day" to Commemorate the Birth Anniversary of M.L. SCHROFF, the Father of Indian Pharmacy" on 6th March 2024 in the transit campus.

About 50 Pharmacy students from Aryakul College of Pharmacy, Lucknow visited the laboratories of NIPER - Raebareli

Prof. Shubhini A. Saraf, Director addressed the gathering. Dr Sandeep Chaudhary, Dean presented the vision and mission of NIPER Raebareli.

Students got first-hand information about the latest scientific developments in the area of Pharmaceutical Sciences. Students were taken to the central instrumental lab to familiarize them familiarized with the modern sophisticated instruments available in our institute. Working knowledge of different instruments was demonstrated.

At the end of the event, Dr Gopal Lal Khatik thanked all attendees and people who were directly and indirectly involved.
