

NATIONAL INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH,  
RAEBARELI

### **A Report**

#### **Outreach and visit of Students of Feroze Gandhi College Raebareli**

Date: 17 Jan, 2023

Time and duration: 11:00 am to 3:00 pm

Program Theme: Outreach

Objective :- Introduction of innovation and research

Coordinator:

Dr Gopal Lal Khatik

Resource person:

Dr. Sandeep Chaudhary

Dr. Abha Sharma

Dr. Sanjay Tiwari

Dr. Nihar Ranjan

Dr. Sandeep Chandrashekharappa

A group of MSc (Chemistry) students from Feroze Gandhi College Raebareli visited the transit campus at Lucknow of National Institute of Pharmaceutical Education and Research Raebareli today, 17th January 2023. Forty-two students have accompanied

by twelve faculties, and the staff was led by Sheila Srivastava (Head of the Department of Chemistry, Feroze Gandhi College Raebareli).

The Director and Dean of the Institute welcomed the students. All departmental heads and faculties interacted with and were introduced to the research work they carried out.

Students have visited all the research labs, including the Department of Medicinal Chemistry, Pharmaceutics, Pharmacology & Toxicology, Regulatory Toxicology and Biotechnology.

The highly sophisticated instruments showcased to the students include NMR, HPLC, SEM, Confocal Microscope, Whole body imager, ITC, Mass spectrometer, Flow cytometer, FTIR etc. In addition, students have also demonstrated the TLC, chromatography, and flash chromatography techniques.
