

NATIONAL INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH,
RAEBARELI

A Report

World Creativity and Innovation Day

Organized on 21 April 2023

NIPER Raebareli organized posters based on "Healthcare for Mankind" on 21st April, 2023 during celebration of World Creativity and Innovation Day on 21 April 2023, 2:00 pm-5:00 pm.

The director, dean and faculty members visited the venue where students of National Institute of Pharmaceutical Education and Research Raebareli presented posters based on "Healthcare for Mankind".

Best three posters were judged by the faculty member and all participants were give participation certificates.
