PHARMA INDUSTRY MEET

“Pharmaceuticals Needs: Filling the Gap”

JANUARY 19, 2018

Venue: CSIR-CDRI Campus, Sector10, Jankipuram Extension, Sitapur Road, Lucknow

ABOUT THE MEET

NIPER-R Pharma Industry Meet is an event organized by **National Institute of Pharmaceutical Education and Research (NIPER), Raebareli**. The **“Pharmaceuticals Needs: Filling the Gap”** scheduled to be held in the campus of **CSIR-CDRI, Lucknow**, on **January 19, 2018**. This event is one of the largest gatherings of senior Executives or HR professionals in NIPER-R, attracting some delegates to discuss the most crucial and complex people management issues facing the pharmaceuticals industry today.

The Pharma Industry Meet will feature keynote lectures, panel discussions and much more from industry thought leaders and award winners who will provide insight that will help to provide the ideas, information and inspiration to the students.

Similarly, there is a need to create a synergy between industry and institution to bridge the talent deficit and also to create the desired pool of pharmaceuticals student with aim to promote employability as well as entrepreneurship.

About NIPER, Raebareli

The NIPER, Raebareli, an academic institution under the Department of Pharmaceuticals, Government of India, has been created as a centre of excellence for higher education, research and development in pharmaceutical sciences. The institute offers M.S. (Pharm.) Courses in Medicinal Chemistry, Pharmaceutics and Pharmacology & Toxicology disciplines. The institute has a beautiful campus located in Indian Telephone Industry Compound, Raebareli. The mission of the institute is to impart quality and value-based education to create competent professionals and to promote R & D activities. The institute offers innovative teaching-learning methodology, state of the art laboratories, and resources for students so that they become competent professionals ready to deliver their service to industry and academia.
