**Revised Advisory to the students in view of recent Guidelines**

“Keeping in view of the UP Govt. recent guideline and sharp increase in COVID-19 cases across the country and the region, the visit of the Masters Students of 2018-20 batch from other States to NIPER-R to collect their belongings is postponed till further orders. However, local students may visit NIPER-R as per schedule to collect their belongings with prior approval. Only the concerned student and/or his/her authorized person will be allowed to enter NIPER-R for bare minimum time. In this regard no other requests will be entertained.”

The students are advised to check NIPER website regularly for the updates regarding above advisory
