

12th NIPER (R) International E-Symposium

“Translational Research and Drug Delivery Systems”

7th-8th December, 2020

About Symposium

NIPER (R) Symposium is an annual event being organized by **National Institute of Pharmaceutical Education and Research (NIPER), Raebareli**. The **12th NIPER (R) International E-Symposium** on “**Translational Research and Drug Delivery Systems**” scheduled to be held at **NIPER (R), Lucknow, India** on **7th-8th December, 2020**.

Scope and Objective

This symposium will extend an excellent opportunity to students and research scholars to interact with distinguished researchers and experts in the field of pharmaceutical sciences and medicinal chemistry from renowned and established institutes as well as pharma industries. The students and research scholars will be benefitted from the research experience of the experts through plenary and invited lectures. Besides, the symposium will provide platform to research scholars for sharing their research work and innovative ideas through oral and poster presentation and discussion.

The theme areas of the symposium include:

- Medicinal Chemistry
- Nanomedicine
- Translational Research
- Targeted Drug Delivery
- Pharmaceutical Product Development

About NIPER, Raebareli

The NIPER-R, an academic institution under the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India, has been created as a centre of excellence for higher education, research and development in pharmaceutical sciences. The institute offers M.S. (Pharm.) courses in Medicinal Chemistry, Pharmaceutics and Pharmacology & Toxicology, Regulatory Toxicology and Biotechnology disciplines. The institute has a beautiful campus located in Bijnor area near CRPF Base Camp, Lucknow. The mission of the institute is to impart quality and value-based education to create competent professionals and to promote R & D activities. The institute offers innovative teaching-learning methodology, state of the art laboratories, and resources for students so that they become competent professionals ready to deliver their service to pharmaceutical industries and academia. For more details, please visit: www.niperraebareli.edu.in.

Submission of Abstract

Abstract should be of maximum 250 words for poster presentation on the theme covered in the symposium. All abstract should contain Title (14 font size, bold face), followed by authors (12 font size), affiliation (12 font size, italicised) , text-body (12 font size) in Arial font on an A4 size paper having following margins (Top- 3.0 cm, Below- 2.5 cm, Left-3.2 cm, Right- 3.0 cm). All participants are encouraged to submit their abstracts.

In oral and poster presentation researchers will be awarded certificate of 1st, 2nd and 3rd.

The abstract must be sent as word document (doc/docx file) by E-mail to: niper.symposium@live.com

Important Dates

Registration (Free) 20th November 2020

Abstract submission deadline: 21th November 2020

Acceptance Notification: 27th November 2020

Link for the 12th NIPER (R) International E-Symposium will be sent to the Email of the registered participants.

Ten best posters will be allowed to present online.

Eight selected oral presentation will be allowed to present online.

E-certificates will be sent to all registered participants who have attended the E-symposium
