**MESSAGE**

I am glad that Department of Pharmaceuticals is observing Swachhta Pakhwada during 01-15 September, 2020.

In the wake of Covid-19 Pandemic, it has become even more important that we keep our surroundings neat and clean. Swachhta Abhiyan plays a significant role in achieving this objective. It is a matter of satisfaction that Pharma Industry and Medical Device Associations are taking part in the drive. Autonomous bodies and PSUs under my Department are also participating to fulfill the objective of Swachhta Abhiyan. I wish them to accomplish the task successfully.

On this occasion, I congratulate to all the officers and staff of the Department for a successful Swachhta Pakhwada.
