

## Symposium on

# Recent Trends and Future Prospects in Biological Sciences

6<sup>th</sup> April, 2023 (EVENT TO BE CONDUCTED IN HYBRID MODE)

**Venue:** National Institute of Pharmaceutical Education and Research, Bijnor-Sisendi Road, Sarojini Nagar, Near CRPF Base Camp, Lucknow (UP)- 226002

**Chief Patron: Prof. Shubhini A. Saraf**  
Director- NIPER, Raebareli

### Organising Secretary

Dr. Pratima Tripathi, Biotechnology

### Coordinators

Dr. Nidhi Srivastava, Biotechnology

Dr. Abhishek Dey, Biotechnology

Dr. Ankita Sharma, Biotechnology

*E-certificates will be provided to all the participants*

★ Poster Presentation opportunity available for Young Participants ★

**Padma Shri. Dr. V Mohan**  
Chairman, Dr Mohan's Diabetes Specialities Centre, Chennai (India)

**Dr. Bibha Choudhary**  
Professor, Disease Genomics IBAB, Biotech Park, Bengaluru (India)

**Dr. S Venketesh**  
Associate Professor, Biosciences SSSIHL, Prasanthinilayam, Andhra Pradesh (India)

**Dr. Bhavana Tiwari**  
Visiting Scientist DBT-Wellcome trust Intermediate Fellow, IISER Behrampur (India)

## Online Registration for External Participants

Online Participants Registration fee INR 500/- On spot /Offline participants Registration fee INR 750/-

Registration Link: [Click here to register](#)

Account name: Director, NIPER Fund; A/C 35788952646 IFSC; SBIN0010174

## About NIPER Raebareli

NIPER-R is an "Institute of National Importance" established under the aegis of the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India, to provide leadership in pharmaceutical sciences and other related areas. It is declared an Institute of National Importance too. NIPER Raebareli was started in 2008. Since then, our Institute has stood as a pillar in healthcare and has grown incredibly to become a known research institute in pharmaceutical sciences in India. Currently the Institute functions from its transit campus at Sarojini Nagar, Lucknow but the State Government has allotted 100 Acres of Land in the Vinayakpur Village of Tehsil – Maharajganj, District – Raebareli, Uttar Pradesh and the permanent campus is under construction. The Distance of allotted land site is approximately 40 KMs from Chaudhary Charan Singh International Airport, Lucknow. We put our best efforts into bringing excellence on academic and research fronts, developing infrastructure across different departments, increasing scientific output like research papers, patents, and enhancement of employment opportunities for our graduating students and in creating a sustainable roadmap for unabated and holistic growth of the Institute. We admit students for M.S (Pharm) and Ph.D programmes in Medicinal Chemistry, Pharmaceutics, Pharmacology & Toxicology, Regulatory Toxicology and Biotechnology every year through NIPER-JEE exams on the basis of their GPAT and NIPER-JEE score. The Institute is conceived to provide leadership in pharmaceutical sciences and related areas not only within the country, but also to the countries in South East Asia, South Asia and Africa. NIPER is a member of Association of Indian Universities and Association of Commonwealth Universities. In order to spread the culture of high quality education and research and to meet the growing demands of the Indian Pharmaceutical Industry, Government of India has opened six more NIPERs at Ahmadabad, Hyderabad, Kolkata, Hazipur, Guwahati and Raebareli.

## About the Conference:

Future science is in the biological sciences. Every day, we race to learn new techniques for comprehending, managing, and curing zoonotic infections, lifestyle illnesses, ageing, dietary issues, and other issues using biotechnology, biochemistry, genetics, proteomics, metabolomics, and other more recent sciences to study xenobiotics, etc. On the other hand, we continue to discover that we do not understand everything that is there in the world. Finding and studying newer research areas while also learning about their usability, and future prospects for a better world based on sustainable development is the need of the hour.

## Thematic area:

**Disease biology, Drug development, Pharmaceuticals, Pharmacology, Health and Environment, Omics biology, Health Sciences, Science communication.**

**Posters are invited in (but not restricted to) the thematic area of the conference. Abstracts invited in interdisciplinary science research also.**

## Registration Details

### Online Registration for External Participants

**Online Participants Registration fee: INR 500/-**

**Offline participants/On spot Registration fee: INR 750/-**

Registration Link: [Click to register](#)

Account name: Director, NIPER Fund; A/C 35788952646 IFSC; SBIN0010174 **(Online payment only)**

## Presentation Details:

**Poster Presentation:** Authors whose abstracts are selected for poster presentation, should prepare posters in the size 90 cm (width) x 100 cm (length).

## Chief Patron:

Prof. Shubhini A. Saraf  
Director- NIPER, Raebareli

## Organizing Committee

### Organising Secretary:

Dr. Pratima Tripathi, Department of Biotechnology, NIPER Raebareli  
Email: [pratimatripathi.lko@gmail.com](mailto:pratimatripathi.lko@gmail.com)  
Phone: 09651720077

### Coordinators:

Dr. Nidhi Srivastava, Department of Biotechnology, NIPER Raebareli  
Dr. Abhishek Dey, Department of Biotechnology, NIPER Raebareli  
Dr. Ankita Sharma, Department of Biotechnology, NIPER Raebareli

**Conference Venue:** National Institute of Pharmaceutical Education and Research, Bijnor-Sisendi Road, Sarojini Nagar, Near CRPF Base Camp, Lucknow (UP)- 226002

### Important Dates:

Early Bird Registration: March 25, 2023  
On spot/Late Arrival Registration: April 6, 2023  
Abstract Submission: March 17, 2023
