

**National Institute of Pharmaceuticals Education and Research (NIPER),
Raebareli**

(An Autonomous Institute under Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Govt. of India)

Hands-on training on organic synthesis and characterization

10/11th April, 2023

Timing: 9:00 am to 5:00 pm

Venue: NIPER-Raebareli, Lucknow Transit Campus

The workshop aims to provide hands-on training on the synthesis and characterization of organic materials.

Highlights of Workshop

- Synthesis of an organic molecule
- Thin Layer Chromatography
- Column chromatography
- Characterization by spectroscopic techniques
- Report preparation

Skills Developed

Development of practical skills in performing the reactions, purification using column chromatography, and identification of organic molecules with the help of spectroscopy.

Registration fee (Non-Refundable): Rs 500/ per participant

Limited Seats: 20 Participants Only

Last Date of Registration: 31st March, 2023

Note: The Payment can be directly transferred to the Account name: Director NIPER Fund; A/C: 35788952646; IFSC: SBIN0010174 at State Bank of India, CDRI Branch, Lucknow.
