# OPEN VIDEO LECTURES

Academic communities all throughout the world have been embracing open and free access to intellectual knowledge. These resources might be a great addition to the online library resources. The library is pleased to offer a selection of carefully chosen platforms of open video lectures.

**Disclaimer:** The Library does not endorse, own, or receive any promotional benefits from the platforms listed below. Please, feel free to suggest relevant and authentic sites which you believed are useful for the NIPER, Raebareli community. These are made available by the site owners/ publishers/ aggregators, etc., to the general readers. You may use the resources for teaching-learning, and research purposes with proper acknowledgements.

<b>S.N.</b>	<b>Platform</b>	<b>Description</b>	<b>Access</b>
1	<a href="#"><u>Free video Lectures</u></a>	It aims to bring free educational video lectures to everyone from top universities.	<a href="#"><u>Click here</u></a>
2	<a href="#"><u>Videlectures.net</u></a>	VideoLectures.NET is an award-winning free and open access educational video lectures repository. The lectures are given by distinguished scholars and scientists at the most important and prominent events like conferences, summer schools, workshops and science promotional events from many fields of Science.	<a href="#"><u>Click here</u></a>
3	<a href="#"><u>Nobelprize.org</u></a>	The Nobel Prize laureates are required to give a lecture on a subject connected with the work for which the prize has been awarded according to the Nobel Foundation statutes.	<a href="#"><u>Click here</u></a>
