MESSAGE

Swachhata Pakhwada is being observed in all Ministries/ Departments of Govt. of India consecutively for the eighth year now, by drawing inspiration from the vision of our Hon'ble Prime Minister for 'Swachh Bharat'.

Many noteworthy and innovative steps have been taken by various Ministries/Departments successfully to contribute to this vision.

I am also happy to note that **Swachhata Pakhwada 2023** is being observed in the Department of Pharmaceuticals, along with Organizations functioning under its administrative jurisdiction, from 1st to 15th September, 2023, .

I hope the drive would inculcate a sense of purpose among the employees of the Department of Pharmaceuticals to work in a clean and hygienic environment, which will help in increasing their overall productivity.
